Rationale for Amendment: We need to make hard decisions about what we can handle at our state meet. We cannot continue to kick the can down the road on the size of state. It is unfair to have a state meet host agree to host and then continue to add additional events. The last line is to prevent the loophole of proposing a new event without eliminating one by simply dividing the motion. This is intended to apply to qualifying events and nonqualifying events offered at the state meet.

Section of the Constitution where Change occurs:

- ByLaws
- Code of Professional Standards
- Standing Rules: Competition Event Guide
