

Region 4,

My name is Brian Darby and I would like your consideration to represent you as your region representation for TFA. This marks my 7<sup>th</sup> year as coaching. I spent my first two years at Alief Hastings, and I am currently at Clear Creek High School.

I have always seen myself as a “lifer” in this activity. It has given so much to me and I have the privilege to give it back everyday I come to work. I think it is very important for the person that represents the region to be one that sees themselves continuously being in the activity and has that type of passion for it.

Another reason I feel I would make a good region representative is I feel that I am very approachable. I have no problem talking to whatever coach would need to communicate with me. I feel that I get along with many people and they get along with me as well. That leads me to the next part I attend many tournaments and I feel that would make me very accessible in person. I am usually at the judges table or in the tab room at whatever tournament I am at and have no problems answering questions about that tournament or even aiding new coaches in helping set up their tournaments.

I think I have a lot of to give the organization and that I would be a good representative for Region 4.

Thank you for your consideration.
