1. IQT Application deadline: May 1st.
2. Congress deadline: June 1st.
3. Discussion of: what IF school doesn't start as planned? We may have to use Zoom, for online tournaments, like the TOC and NSDA Nats. We will have to determine online rules for these tournaments. We need infrastructure concerning online tourneys. We will talk about this again at the end of July when we can determine the school schedule. We will send a survey asking the Body questions concerning online tourneys. Rory will create a Google Doc. We can use this as a basis at retreat. We also need to form an ad hoc committee to work with Brent about online tourneys. Joe Uhler will be the liaison. Region Reps will send names to Lilly for people who know about online tournaments.
4. IQT Coordinator: Lilly has until 7/1 to appoint someone. Is it possible for Grant Hahn to help someone if he doesn't want to do it?
5. EC Retreat: will be online June 5-6 via Zoom.
6. Region News: no reports.
7. Ryan Lovell will email the constitution committee that it will be on Zoom instead of meeting with the EC in person.
8. Next meeting will be 5/19 at 7pm.
