

To TFA Region V:

I am declaring my interest in serving as the TFA Rep for Region 5. I have been a coach in the organization since 1982, have served on nearly every committee in TFA, been a staff member in the State Debate and IE tab rooms, been the assistant State tournament director, and have hosted State twice. I believe that my experience in the organization, the knowledge of how the events run, and my memory of why we do things the way we do in TFA is valuable to this position. I look forward to continue serving TFA.
