*A Tradition of Excellence!*

To the Texas Forensics Association Community:

I wish to declare my intention to run for the Region III Congressional Debate Committee position.

I competed in Congressional debate when I was in high school, and since bringing it to Round Rock High School four years ago--I have had one TFA State Qualifier and it has been the most successful of the new events we have started. I teach congressional debate every fall in my Debate I class and it has brought so much joy to our team that I want to share with others.

Congressional debate bridges the gap between speech events and debate events. As a teacher it has helped me connect with my debate students better as well as strengthen my young speech squads. I will serve this committee with enthusiasm, positivity, and a willingness to grow.

Thank you,

Cara Beth Daly  
Director of Forensics, Round Rock High School  
NSDA Heart of Texas District Committee Member, 2019-2023
