Proposal: The TFA President shall appoint a committee of no less than 10 persons with 2 persons from each current TFA region represented for the purpose of discussing and proposing a reconfiguration of the region composition for the organization.

Scope: The committee will be charged with examining trends in tournament offerings, state tournament qualification and participation, and shifts in population centers to determine if changes are needed. Topics of discussion may include but not be limited to geographic changes in region composition, expansion of the current EC to more adequately represent the regional size in the composition of the EC.

Timeframe: The committee will be appointed no later than two weeks after the conclusion of this convention. They will report to the EC and TFA President no later than April of this school year.

Action: The report shall be sent to all TFA members and the committee for discussion and response. Any changes proposed by the committee shall be voted on by the body at the annual business meeting. Topics of discussion may include but not be limited to geographic changes in region composition, expansion of the current EC to more adequately represent the regional size in the composition of the EC.
