

Congressional Debate

Parliamentarian Ballot	Session:	Room:	Chamber #:
-------------------------------	----------	-------	------------

Instructions: Please *rank*, in order of preference (1=most preferred) through the *total number of* legislators in your chamber. Consider each contestant's holistic performance in the session, including an aggregate consideration of the quality of speaking or presiding. Did the contestant's actions enhance the chamber's ability to conduct legislative business, or did his/her focus on the minutia of procedures and competitive framework detract from time for others to speak?
